

Post Apples CSA* **Quarter Share SUMMER ONLY** Membership Enrollment Form 2017 (Approximately 13 weeks)

Please enroll and process me into the Post Apples CSA for the SUMMER growing season 2017. My enrollment entitles me to one quarter share of the vegetables and fruit produced per week on the Post Apples Farm from the beginning week through the first full week of September. A one quarter share is approximately one quarter bushel of fruit and vegetables per week.** This year it will begin not later than June and end the week of **September 1**. I will pick-up my one quarter share at a central location determined by the geography of our members.*** I am encouraged to offer my recipes, for the benefit of the membership.

My membership gives me the right to purchase extra fruit and or produce at wholesale pricing if it is already harvested, and below wholesale pricing if I pick it. I understand this may be limited. I also understand I will always have to call before coming to pick.

This year there is a small work requirement for members. We are still grappling with how to be profitable without making the membership cost prohibitive. As you can see, the price has been increased a small amount once again. Our big issue is that the hired help consumes most of the membership fee. Members donating time last year lessened the blow, but did not completely fill the gap. This season we are asking the SUMMER 1/4 share folks to donate **3 hours sometime during the season** to dramatically reduce the paid help requirement. The jobs to be done are very simple and nonphysical to physical. Drop-off site owners will be exempt due to their work helping members get their shares. There are many tasks that would enhance the experience making more worthwhile for all members. This summer required many 80+ hour weeks. It tends to be too much. If you cannot spend the time, there is a buyout option on the back.

Below is the **DO NOT LIKE** LIST. I highly recommend you try everything. Then if you do not Like something, let us know. We can note it then.

Please mark the items you **DO NOT LIKE**. This list will be used to determine what items to limit.
