

Post Apples – At Home Delivery – Membership CSA Membership, year 2014

Last year many members needed to have 'At Home Delivery'. We provided that as part of the membership. What we learned was that it required almost one half of the membership fee to accommodate the costs of delivering. Delivery at ones place of employment is also considered 'At Home Deliver'.

This pricing has been increased to include centralised pickup points. A central point is one that has 8 or more deliveries dropped off at one place. I am looking for a few folks that would be able to allow others to come and receive their share on a weekly basis. If you are interested please let me know. We are actually looking for 500 memberships this year. Your help is needed to make it happen. Sign-up your friends. At 8 you can be a central point and save delivery charges.

If you still desire 'At Home Delivery' the pricing will be as outlined below. There is no individual delivery to areas outside of North East, Erie, Lakewood, NY, or Findley Lake, NY.

Erie \$115.00

North East \$55.00

Findley Lake, NY \$55.00

Lakewood, NY \$70.00

North East members can come to the farm for pick-up.

Findley Lakes pick-up location is the Church on Sunday at noon.

Lakewood, NY may have a pick-up location if 10 members in that area can be signed up.

Even though it is extra to have 'At Home Deliver', please sign me up for this valuable service.

NAME: _____, Phone Number: _____

Address: _____
