## Post Apples CSA\* Universal STANDARD Membership Enrollment Form 2024

Please enroll and process me into the Post Apples CSA for the growing season 2024. My enrollment entitles me to a share of the vegetables and fruit produced per week on the Post Apples Farm from the initial week through November 14, 2024, ~22 weeks. My share will consist of the items available each week **based upon my share size**. The size of the share will be determined by which option I choose in the sign-up section of this form.\*\* This year it will begin no later than sometime in June and end November 14, 2024, ~22 weeks. I realize I will pick-up my share at a Central Location or at the Farm, to be determined by my geography.\*\*\*

As in other years there is the option to work for part or all of the share of the produce. The amount of time for the standard work requitrement to get the reduced price will depend upon the share size chosen. We highly recommend spending a little work time on the farm so one can get a feel for what farming is like.

Folks will typically get some of almost everything listed below. Indeed it is a better selection than most Local Grocery Stores. This list gives you an idea of what you will expect to receive during the 20+ week season. Obviously each of these items has a season and not everything will be available on a continual basis. Depending upon growing conditions certain items may not produce a crop. Experience tells us you will not miss any crop failured item. In addition, there will be extra items available from time to time. These will be listed with pricing each week both in the bag letter and in the email sent each week before the delivery.\*\*\*\*

It is recommended you sign-up for the work option. The pricing is a little lower and you can experience the farm first hand. We respectfully ecourage you to come and sweat a little with us this season.

The list of items below gives you an idea of what you can expect in your bags over the season. It may be that you really do hate something or your body says no in profound ways. This is your opportunity to alert us to these incompatibilities. Please check the items you CANNOT TOLERATE. We will make certain you do not receive any of these items. We want your experience to be a great one.
